Dear Jim:

Next week I am moving to ABC News, Los Angeles. Although I hate to leave KHJ, the switch to television is an exciting career move.

I am especially happy that Art will be taking over as News Director here, so the line of communication between your office and KHJ will be as good as ever.

Once I am established at ABC, you may be sure that they will be better informed about the case than CBS or NBC. Please keep the press releases coming to Art at KHJ and to me at my new address: c/o KABC-TV, 4151 Prospect, Los Angeles, California 90027.

I hear it's election season in the south; best wishes for a landslide!

Warmest regards,

Jim
